Launch of the Community Led Plan:

Because of the presentation from Bidwells at the October parish Council meeting, discussions took place on the results from the Plan regarding housing. There is a possibility of a 12 dwelling development, although the Plan suggests that the village only wants four houses at a time, over 10 years.

The Launch is designed to get the 7 Key Points from the Plan underway.

- Village development
- Environment and Transport
- Community
- Community safety
- Sustainability
- Recreation and facilities
- Democracy and Communications

In order to progress the Plan, volunteers are needed to form an Implementation Group and Action Group. If there is any aspect of the Plan in which particularly interests you, your participation would be very welcome.

Mr Ralph and Ms Brant designed a poster for the Clerk to produce for advertising purposes. The Launch meeting will be on Saturday 14 November from 10 - 12 noon in the Reading Room and bacon butties will be available!

The Clerk, Mr Ralph and Ms Brant remained to produce a flyer and poster for the event.

As there was no further business the meeting closed at 8.30pm
