

## Village Shops

Arrington has a mobile post office, which attends in the Clifden Close Community Centre every Tuesday from 11.30am to 1.30pm. This does not offer all the services that a main post office can, but stamps are available, cash can be withdrawn, and parcels sent - to name but a few of the services on offer.

Barrington, Bassingbourn, Bourn, East Hatley, Meldreth, Melbourn and Orwell have a Post Office and village shop.

Orwell, Bassingbourn and Melbourn have hairdressers.

Melbourn, Bassingbourn and Gamlingay have a greater variety of individual businesses.
